

Formycon AG is one of the world's leading developers of biosimilars. With an experienced team comprised of more than 90 professionals, the company is able to span the entire value chain of biosimilar drug development, from laboratory analysis to clinical trials and all the way through to regulatory approval and market launch.

To support our team in Martinsried near Munich, we are looking for suitable candidates for the following fulltime or parttime (at least 30 hours per week) permanent position, to begin work as soon as possible:

Financial Accountant (m/f/d)

Your responsibilities:

- Full responsibility for the preparation of unconsolidated and consolidated financial statements, including complete notes, according to both German Commercial Code (HGB) and IFRS
- Support to management and participation in company activities on matters of financial accounting
- Development and redesign of processes and systems for financial bookkeeping and financial statement preparation, including consolidated accounts, in accordance with HGB and IFRS
- Responsibility for the proper accounting treatment of all company transactions and activities in accordance with applicable accounting rules, as well as documentation of processes and procedures
- Contact person for external auditor, tax consultant, and banks
- Handling of questions and issues relating to financial bookkeeping and taxation

Your qualifications:

- Completed vocational training in business (preferably with additional training in financial accounting), a degree in business administration, or comparable qualification
- Practical experience in financial accounting and in the preparation of both single-company and consolidated (group) financial statements
- Ability to recognize and realize opportunity for process improvement, particularly with regard to software applications being used
- Ability to work independently, with a strong sense of personal responsibility
- Proficiency with Microsoft Office, particularly Excel
- Experience with Microsoft Business Solution Navision or other ERP systems
- Oral and written proficiency in both German and English
- Ability to work systematically, with excellent attention to detail
- A person who is open, reliable and trustworthy, and who enjoys working in a small team

Bring us your skills and energy, and shape your own career in a stimulating and open work environment. We are looking for highly motivated individuals who are ready to take on new challenges with enthusiasm and personal commitment. Working at Formycon means being part of a smart, innovative team with minimal hierarchy and opportunity to share your own ideas.

Have we sparked your interest? Then we look forward to receiving your application for employment through our online application portal. Please be sure to include all supporting documents, along with your earliest possible starting date and your salary expectations. We look forward to learning about you and the qualifications which you would bring to this position.
